

**ANNUAL REPORT ON SEXUAL ASSAULT DATA FY – 2016**

**West Central Community Correctional Facility**

Prepared By: Lori Penrod Accreditation Manager, PREA Coordinator

**I. Introduction**

West Central collects data on all reported incidents involving sexual misconduct and sexual harassment at West Central Community Correctional Facility and reports of occurrences at other correctional institutions. The Department of Justice Survey of Sexual Victimization (Form SSV-4) and internal documentation was used to track all reported violations.

**II. Data – FY 2016**

Allegations	Substantiated	Unsubstantiated	Unfounded	Total
Staff Sexual Harassment	0	0	3	3
Staff Sexual Misconduct	0	0	0	0
Resident on Resident Sexual Harassment	1	1	0	2
Resident on Resident Sexual Misconduct	0	0	0	0

**III. Conclusion**

FY 2016 data reflects an increased number of alleged Resident on Staff Sexual Harassment incidents. Upon investigation of these allegations, it was concluded that residents were filing allegations against staff in retaliation for receiving sanctions for rule violations through the Behavior Management System. West Central did predict an increase in reported allegations since the inception of the PREA Standards and Policies. West Central's continuing effort to identify potential areas of risk, educate residents and staff about PREA, and corrective measures taken, has successfully allowed us to maintain a safe and secure environment.
