

ANNUAL REPORT ON SEXUAL ASSAULT DATA FY – 2019

West Central Community Correctional Facility

Prepared By: Lori Penrod Accreditation Manager, PREA Coordinator

I. Introduction

West Central collects accurate data on all reported incidents involving sexual misconduct and sexual harassment occurring at West Central Community Correctional Facility, and reports of occurrences at other correctional institutions. This data is used to assess sexual abuse prevention, detection, and response practices and procedures.

II. Data – FY 2019

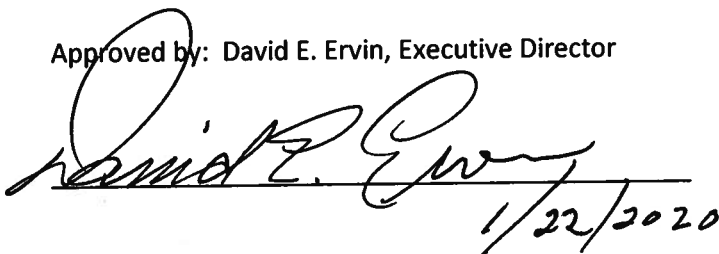

Allegations	Substantiated	Unsubstantiated	Unfounded	Total
Staff Sexual Harassment	0	0	1	1
Staff Sexual Misconduct	0	0	1	1
Resident on Resident Sexual Harassment	2	0	1	3
Resident on Resident Sexual Misconduct	0	0	0	0

III. Conclusion

West Central saw an increase in reports from 2018, and implemented additional Standard Operating Procedures in an effort to identify areas of potential risk.

West Central’s continuing effort to identify potential areas of risk, educate residents and staff about PREA, and corrective measures taken, has successfully allowed us to maintain a safe and secure environment.
