*WCCCF currently has an open investigation into an allegation of resident on resident sexual abuse. The allegation was referred to the Union County Sheriff's for a criminal investigation. That investigation is currently open.

IV. Conclusion

Allegations of sexual harassment decreased from last year, and WCCCF did not have any reports of sexual harassment or sexual abuse involving WCCCF Staff. Of the four allegations of resident-on-resident sexual harassment, only one allegation of sexual harassment was substantiated and two allegations were determined to be unfounded. The facility did receive one allegation of resident-on-resident sexual abuse that was referred to law enforcement for a criminal investigation. That investigation is ongoing. Once the investigation is completed WCCCF will review the investigation report to determine if any further action is required.
